CAMDEN CHRISTIAN ACADEMY

History

Since 1982, Camden Christian Academy has been serving the Camden area with a focus on academic and spiritual development. Our purpose at CCA is to actively partner with

parents in scripturally training their children to be fully devoted followers of Christ. We are committed to equipping our students to attain the highest standards spiritually, scholastically, and socially in order to impact the world for Christ. CCA uses high quality curriculum coupled with dedicated teachers to provide

our students with an exceptional foundation. We invite you to experience the purpose, programs, and people that CCA has to offer.

Thank you for your interest in CCA!

*School Board of
Camden Christian Academy*

Curriculum

CCA's primary curriculum is A Beka. A Beka's skilled researchers and writers do not paraphrase progressive education textbooks and add biblical principles. They perform primary research in every subject and create textbooks from a biblical world view, built upon the firm foundation of scriptural truth.

For Math, CCA uses Saxon Math. Saxon Math is the nation's most comprehensive and most thoroughly researched home school math program, with more than 30 years of proven success. Saxon mathematics for grades K-12 is based on the teaching principles of incremental development, continual practice and review, and cumulative assessment.

Why Parents Choose our School

- ◆ The Bible is taught
- ◆ K4 - 12
- ◆ Low student-teacher ratio
- ◆ Qualified, caring teachers
- ◆ Competitive ACT scores
- ◆ Member ACSI
- ◆ Foreign language
- ◆ LCSAA sports league
- ◆ Yearbook/journalism
- ◆ Student council
- ◆ College prep assistance
- ◆ Graduations, homecoming, sports, and awards

**The heart of education
is education of the
heart.**
